1. (1) These rules may be called the Control Civil Service (Extraordinary Person) Rules.

(2) Until the commencement of Part II of the Government of India Act, 1935, any reference in these rules to the Governor-General shall be construed as a reference to the Governor-General in Council.

who entered or enter service under the Control Government as an officer on the 1st April 1937, or who having entered such service before the 1st April 1937, did not hold a lien or a suspended lien on a permanent post at that date.

NOTE.—Deaths of injuries of certain categories are given in Schedule I.

(12) of the Financial Rules, provided that in the case of persons recommended by piece-work rates pay means the average earnings of the last six months of service immediately preceding the date of death or injury.

(6) "risk of office" means any risk, not being a special risk, of accident or disease in which a Government servant is engaged in the course of and as a consequence of his duties, but nothing shall be deemed to be a risk of office which is a risk common to human existence in modern conditions in India, unless such risk is deliberately entered on his part by the nature, conditions, obligations or functions of Government service.

5. Except as otherwise provided in these rules, an award made under these rules shall not affect any other provision or authority for which the Government servant concerned or his family may be eligible under any other rules for the time being in force, and the persons granted under the provisions of these rules shall not be taken into account in fixing the pay of the Government servant on his conditional employment or re-employment in Government service.

G.O. No. 186, P.W. (General), dated 2nd April 1908.
BRIEF—*See* following:—

I.

G.O. No. 54, 1908, P.W. (General), dated 13th July 1908.

II.

Letter from the Government of India, Department of Revenue, Health and Land, dated 13th June 1908, No. F. 14-15/10-0.

[Port Health Administration—Federation with India—Part of Singapore.]

I am directed to refer to your letter No. 1233, A/23-2, dated 17th July 1908, and the departmental letter No. P. 14-15/10-0, dated 27th October 1908, on the above subject. As the Government of Madras are aware the rules under the Indian Ports Act, 1904, referred to in your letter No. 1233 A/23-2, dated the 17th July 1908, were issued in the nature of the Government of India in 1904, with the

object of ensuring the passengers from India complied with the requirements of other countries regarding sanitary regulations. The Government of India have considered the whole subject of the vaccination of passengers leaving India for other countries in connection with the provisions of the new Port Health Rules for major ports and they have decided that the Central Government's obligation in the matter will be discharged by issuing to the office of departing passengers and shipping companies concerned the public health regulations of the countries of destination. If a passenger wishes to proceed without complying with the regulations of the country to which he is travelling and if a shipping company consents to take such a passenger, they will do so at their own risk, and they have no other responsibility if they choose to do so. In accordance with the decision the new Port Health Rules contain no provisions corresponding to those of the rules of 1904, referred to above but only such provisions as are necessary to fulfil the obligation of the Government of India under the International Sanitary Convention of 1903 to prevent the outbreak of persons showing symptoms of certain diseases and of persons in such relations with the sick as to render them liable to transmit the infection of those diseases. I am to thank, therefore, that the rules framed by the Madras Government in 1904, which are no longer in force in the major ports of Madras, Visakhapatnam and Cochin, should now be amended in their entirety and that the new rules to be framed by the Federal Government under the Indian Ports Act for ports other than major ports should be based on the rules made for the major ports.

Order—No. 1782, P.W. (General), dated 16th July 1908.

The letter from the Government of India cited above is communicated to the Director of Public Health.

2. His attention is invited to the schedule annexed to the draft rules published with G.O. No. 1231, P.W. (General), dated 22nd May 1908. The 1904 rules, in so far as they apply to minor ports have been included in the schedule annexed to the draft rules and will be automatically cancelled when these rules are confirmed.
